Date	Contributor	Commit	Message
2026-10-29	Yashwasi Sharma	6b070c1	feat: validate clustering stability across samples
2026-10-29	Shubham Saini	0612d94	Improve weekly contribution report generation
2026-10-29	Shubham Saini	a297336	Merge origin/main and resolve weekly report workflow
2026-10-29	github-actions[bot]	8933d95	docs: archive weekly Form-3 report [skip ci]
2026-10-29	Shubham Saini	528bf1b	Force add weekly PDF reports in workflow
2026-10-29	Shubham Saini	2c32688	Fix weekly report archive step
2026-10-29	Shubham Saini	858138d	Add weekly contribution report workflow
2026-10-25	Yashwasi Sharma	e2dc6c6	Merge remote changes and add dataset validation and model evaluation
2026-10-25	Yashwasi Sharma	e86a983	Add dataset validation and clustering model evaluation
2026-10-25	Sanchit Sharma	940a97f	Merge pull request #2 from Yashwasi/Week123
2026-10-25	SKIT DS Team	0520e0c	Pushed changes
2026-10-25	SKIT DS Team	3a687aa	Week123: complete user stories 1-5
2026-10-25	Shekhar0523	b7a5214	Add clustering analysis and independent model validation
2026-10-22	Shubham Saini	d075d73	Add automated weekly contribution report workflow
2026-10-25	Shekhar0523	0ff342a	Add feature engineering pipeline
2026-10-25	Shekhar0523	e111bc3	Add EDA report and data visualizations

Note: This report reflects Git commit history available locally. It does not measure uncommitted work or prove the quality of contributions.
